## **Offerings**

Thank you to everyone for contributing through the drive-in services and by mail. Also, we are now receiving online donations through our website. THANK YOU, THANK YOU!!

## **Confirmation**

We are hoping to confirm the two young adults some time in June this year. More to come.

## **Circuit Worker**

Hello and blessings to you!

We will try for a youth event on June 28th from 5:00-7:30 pm. Trinity Lutheran Church, Isle will be hosting this time. Please see your youth leaders and pastors for more information. We will be barbequing and doing yard games as long as the weather is nice.

*Thank you and blessings, LeAnn Gregoire, Circuit Youth Worker*

## **Thank you**

Hi – We are participating in a Virtual Trails 4 Transplants Benefit Ride, as the original one was cancelled until next year because of the Corona virus. However, we were given the option to do a virtual trail ride where you can ride your horses on local trails, log the same number of miles, provide pictures, and then turn the money in to the organization, on the dates that was originally planned for the ride. That is what we are going to do and we want to thank everyone for their generous donations and support for this event. *Greg and Wendy Kroschel*

# LITTLE LAMBS

Enrollment is open now for Fall registration for Little Lambs!! Please use the link below to register. We are doing an online registration this year.

<https://forms.gle/cWaEAiK35RMAbVMc8>

You can also find this link posted on Facebook, and on our website on the Little Lambs page. If you have any questions about enrollment this year, feel free to call Ms. Staci at (612) 801-2674

## More Little Lambs News:

Little Lambs will close out the year now as all other schools are also remaining closed. During this shut down, Staci and Sharon have delivered packets of activities and Easter gifts to the students. They will prepare a final end of the year delivery with certificates and a Christian book and will coordinate delivery. They are also considering offering an end of the year celebration over zoom for those who are interested.

Because of the missed class sessions, families will be provided with a refund check for classes missed based on how they paid. (Some families prepay tuition at the start of the school year, etc.). Staci and Mary Ann will work together on this.

A number of students currently enrolled and two that we set to start in March would be eligible to enroll next year.

Sharon shared that she would prefer to go back to retirement so we are discussing ideas for refilling this position.
