JUNE GROUPS 2025

June 1 - THE NEIGHBERZ BAND, North Branch, MN - Craig Dahl and the Neighberz Band will be our opening group for the 2025 concert season. They have been entertaining people at county fairs, churches, and fund raising events - every venue there is. They are polished musicians and can perform any type of music, and do it well\ Bring family members, neighbors and friends to this opening concert. They are always very popular\

June 8 - THE GERBER BROTHERS, Plymouth, MN - The Gerber Brothers are a gospel singing duo based out of Plymouth, Minnesota and have been singing gospel music for many years. Growing up in a large family on a small hobby farm in Anoka Minnesota, there was always plenty of music in the home with singing around the piano. Their rich vocal harmonies are typical of a family singing together. Their roots are southern gospel, and they sing Gaither music, classic hymns, and some new contemporary songs. Come and listen to these men perform Christian gospel music\

June 15 - TIM HADLER, Pine City, MN - Tim Hadler is a country singer that performs at many venues locally and around the nation. He has a heart for veterans that struggle with re-entry into society and so founded GUMI Camp USA. It has been operating for many years helping American veterans and fills a void for so many that have bravely served to keep our nation safe. Tim is a singer-songwriter, a Nashville recording artist, and has been performing at Branson for many years. If you like the sound of country singers Hank Williams Sr., George Strait, and many others, come listen to Tim Hadler and hear his story.

June 22 - THE EVERSTROMS, Mora/Brook Park, MN - Everyone loves The Everstroms group. They are a combination of two families - The Everson's and The Ostrom's. Both families have performed for many years and the two families together give us a unique combination of talented musicians. They are committed to give us God's truth in their songs in a beautiful and sometimes fun way. Don't miss this concert\

June 30 - THE KLASSEN'S, Worthington, MN - The Klassen's are a family that have been a blessing to many. This family has developed their musical talents in a professional and creative way and use it to glorify God. It is a very special thing to see. Each person in this group performs songs that will touch your heart and when they all sing together you will know that God is in the room\
